

HEALTHY EARTH, HEALTHY YOU TEAM TASK SAMPLE CHECKLIST

Circle your team topic

Food Production: Healthy Eating for Us and the Planet

Trash Crisis: Drowning in Garbage!

Global Warming: Take Action

Managing Progress: Healthy Habitat for Plants, Animals, and People

Checklist

Place a check mark in the space next to each task that your instructor asks you to complete.

As you finish each task, put another check mark next to the first.

- _____ Create a team mascot based on an endangered animal related to your topic.
- _____ Develop and prepare a dramatic presentation (mime, puppet play, readers theater, etc.) about some aspect of your topic.
- _____ Develop 4–6 open-ended questions about your topic. Use them to lead a class discussion. Write questions that invite classmates to share different ideas and opinions.
- _____ Create a chart or graph that presents important information about your topic based on numerical data.
- _____ Create a computer-generated slide show that teaches an important fact, tip, or concept about your topic.
- _____ Develop and present a booktalk that recommends and compares a fiction and a nonfiction book that relate to your topic.
- _____ Find a success story about a person or group of people who helped solve an environmental problem related to your topic. Make a poster to share this information with the class.
- _____ Other (_____)
